

DISCOVERY™ SERIES
Plate Loaded Line

DBR817

Weight Plate Tree

The Discovery Series combines all the functional performance elements demanded from a strength line but with the design and attention to detail you would expect from Precor. The result is an exceptional workout experience for the first-time user or seasoned athlete.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

The Discovery Series Benches and Racks Weight Plate Tree provides maximum efficiency in storage capacity for weight plates in a minimum amount of floor space. The small diameter weight storage pin allows for plates to be easily moved with a single hand without plates binding. An essential component in a facility's free weight area.
