

DISCOVERY™ SERIES
SelectORIZED Line

DSL618

Glute Extension

The Discovery Series combines all the functional performance elements demanded from a strength line but with the design and attention to detail you would expect from Precor. The result is an exceptional workout experience for the first-time user or seasoned athlete.

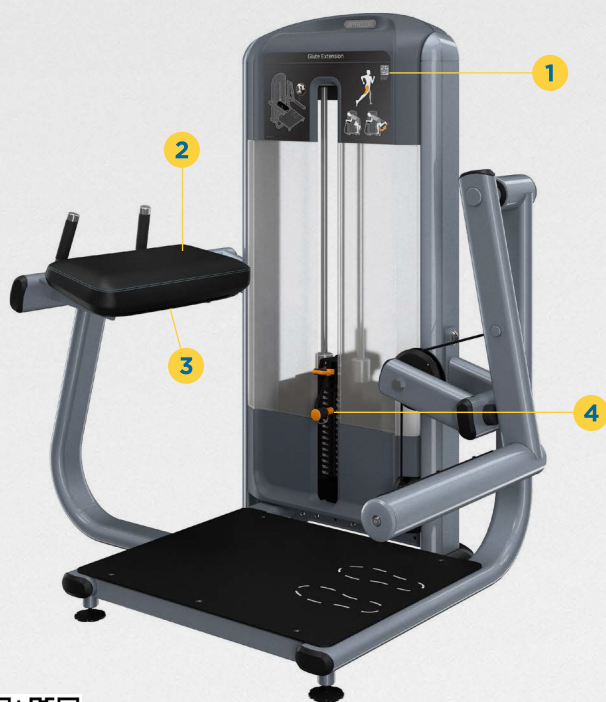

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

Glute Extension

DISCOVERY™ SERIES
Selectorized Line

See it in action at precor.com/discovery

www.precor.com/VSL05

The sound biomechanics of the Discovery Series Selectorized Line Glute Extension deliver a unique, targeted workout for the user. Elbow pad, handles and large base platform stabilizes the user during exercise and delivers a smooth, flowing and precise motion.

PRODUCT HIGHLIGHTS

- 1 Instructional Placards**
 Improve every workout with easy-to understand, large text-free illustrations that demonstrate correct form at a glance. Users will love the QR codes and URL that provide smart phone links to helpful 30-second instructional videos.
- 2 Stabilizing Elbow Pad and Handles**
 Elbow pad, handles and large base platform stabilize the user during exercise and delivers a smooth, flowing and precise motion.
- 3 Upholstery**
 Exercisers will be more comfortable thanks to the premium pads and upholstery-and you'll appreciate the enhanced performance of more durable materials.
- 4 Weight Tower, Shroud and Weight Stack**
 The open and inviting design allows users to easily access the weight stack selector pin and add-on weight lever. Users can easily engage the 5 lbs / 2.3 kg add-on weight with a simple flip of a lever to increase the work load.
