

DISCOVERY™ SERIES
SelectORIZED Line

DSL602

Leg Press

The Discovery Series combines all the functional performance elements demanded from a strength line but with the design and attention to detail you would expect from Precor. The result is an exceptional workout experience for the first-time user or seasoned athlete.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

PRECOR®

DSL602

Leg Press

DISCOVERY™ SERIES
Selectorized Line

Owner / operators and users benefit from low-maintenance rollers and rigid, tubular steel tracks on the Discovery Series Selectorized Line Leg Press that create a smooth exercise motion. Intuitive design includes a conveniently located release handle for seat adjustment to fit a wide range of users.

PRODUCT HIGHLIGHTS

- 1 Instructional Placards**
 Improve every workout with easy-to understand, large text-free illustrations that demonstrate correct form at a glance. Users will love the QR codes and URL that provide smart phone links to helpful 30-second instructional videos.
- 2 Upholstery**
 Exercisers will be more comfortable thanks to the premium pads and upholstery-and you'll appreciate the enhanced performance of more durable materials.
- 3 Easy to Get Started Adjustments**
 Intuitive design includes a conveniently located release handle for seat adjustment to fit a wide range of users. Ratcheting seat adjustments require only a lift to release the lever.
- 4 Weight Tower, Shroud and Weight Stack**
 The open and inviting design allows users to easily access the weight stack selector pin and add-on weight lever. Users can easily engage the 5 lbs / 2.3 kg add-on weight with a simple flip of a lever to increase the work load.
