

DISCOVERY™ SERIES
Plate Loaded Line

DPL540

Chest Press

The Discovery Series combines all the functional performance elements demanded from a strength line but with the design and attention to detail you would expect from Precor. The result is an exceptional workout experience for the first-time user or seasoned athlete.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

Chest Press

DISCOVERY™ SERIES Plate Loaded Line

See it in action at precor.com/discovery

www.precor.com/VPL02

The Discovery Series Plate Loaded Line Chest Press has independent movement and converging pushing angles to increase the range of motion of the exercise. Progressive strength curve gradually increases force at end of movement when user is in the strongest position, allowing user to engage more muscles. Oversized handles make pressing exercises more comfortable by spreading the load over a larger area of the user's hand and the easy seat adjustment means a broad range of user heights can be accommodated.

PRODUCT HIGHLIGHTS

- 1 Instructional Placards**
Improve every workout with easy-to understand, large text-free illustrations that demonstrate correct form at a glance. Users will love the QR codes and URL that provide smart phone links to helpful 30-second instructional videos.
- 2 Easy to Get Started Adjustments**
Precision adjustments, including highly durable industrial-grade seat adjustments and large, ergonomic rubber adjustment handle, make it easy and comfortable for users.
- 3 Delivers More Effective Workouts**
Designed to demand greater balance and core muscle engagement, the independent arm resistance, converging and diverging movement paths provide a greater range of motion.
- 4 Upholstery**
Exercisers will be more comfortable thanks to the premium pads and upholstery-and you'll appreciate the enhanced performance of more durable materials.
- 5 Easy Load and Unload**
Six weight horns provide over 800 lbs/363 kg for ample plate storage on your strength floor.
